Culver City Academy of Visual and Performing Arts

Help Support Arts Education and Advertise in our Program!

Our Mission

Inspiring and empowering students to build a compassionate, creative community through innovative and challenging arts education.

WHAT DOES YOUR MONEY PAY FOR?

Students in the Academy receive high-quality arts training from a large faculty of teachers and professional artists. The tremendous financial burden of mounting various productions (varying from \$2,500 for a small stage show, to \$25,000 for a main stage musical), along with funding materials, equipment and workshops with outstanding teachers, requires a great deal of fundraising. Your ad contributes directly to our successful program, and you can help cover a student's required donation/fee of \$100 per semester by buying an ad for them. Visit www.avpa.org to see more about our work!

WHO SEES THE AD?

The Ad Book/Program will be given to audience members at every AVPA production throughout the Season and will also be posted on our website. The upcoming AVPA Season is full of great events and includes a Fall theatre production, Fall and Spring Dance Concerts, a mainstage Spring Musical, the Frost Film Festival, and other exciting events.

This means a potential audience of 3,000 will see your ad throughout the course of the Season.
